

Child's name: _____

PURPOSE

That he would live a full life (earth and eternity) using all of his gifts in gratitude to God for all He has done for him.

ENVISIONED FUTURE

That he would keep his childlike innocence and faith throughout life, and that his faith would grow deep, as he understands his need and the work that Christ has done for him. Then as a response give his life, skills, talents and time back in worship and service to Christ.
